Hello and welcome

I am delighted to have the opportunity to talk to you, as a prospective member, about CMC. We aim to provide the opportunity to experience and share the enjoyment of mountain activities from fell walking and mountaineering to rock climbing, snow and ice climbing, or occasional mountain biking.

Club members are pleased to share their experience and knowledge, as you join with us in enjoying the mountains. The club does not provide formal instruction, tuition or coaching.

I believe the greatest asset of the club is the combined experience of all the members. If you're off somewhere exciting the odds are someone in the club will have been before, and will give you their tips and insights and even lend you a guidebook or map.

The club has a programme of climbing and walking meets, a social indoor meet every month, and at least 6 weekend meets per year at club huts or similar accommodation in mountain locations. Full details are on the club website: www.clitheroemc.org.uk

Prospective members at all levels of competence and experience are welcome to attend Club activities for a period of 3 months. CMC is a BMC (British Mountaineering Council) affiliated club and if you declare yourself to be a prospective member then you benefit from free BMC public liability insurance cover during your three months taster with the club. Details of cover are on the BMC website.

If you decide to join, the insurance cost of £13.25 per year is covered within the annual subscription to CMC of £20 per year (current in 2018). The year runs from 1 November and if you join after 31st July your payment of £20 will cover fifteen months.

Please give CMC a try – all you have to do is complete your personal details opposite and I'll make sure you are e-mailed reminders of activities. A three month taster with no obligation and no cost – no downsides!
